

VERSION NO. 1	MANUAL TITLE FINANCE AND ADMINISTRATION MANUAL	DOCUMENT NO. FAM 8.03
	DOCUMENT NAME PROCUREMENT MANAGEMENT	REVISION NO. 0
		EFFECTIVITY DATE SEPTEMBER 2,2019
		PAGE NO. 1 of 11

1.0 OBJECTIVES

- 1.1 To provide procedures and guidelines in procurement of goods, services and Infrastructure Projects.
- 1.2 To ensure that guidelines and procedures in procurement follow statutory and University approved policies and guidelines

2.0 SCOPE

These procedures apply to the procurement of goods and services, consulting services, and infrastructure projects through the different modes of procurement.

3.0 POLICIES

- 3.1 All government procurement shall be within the specified budget of the agency. All procurement to be undertaken by the agency shall be included in the Annual Procurement Plan (APP) through the formulated Project Management Procurement Plans (PPMPs) of the implementing units. No procurement shall be undertaken unless it is in accordance with the approved APP. The APP shall contain the methods and modes of procurement to be used.
- 3.2 All procurement shall be undertaken in accordance with 2018 Implementing Rules and Regulations of RA 9184.
- 3.3 All procurement must be done through Public/Competitive Bidding except as provided in Rule XVI of IRR of RA 9184.
- 3.4 The agency may undertake the procurement activities of procurement of goods and services, consulting services, and infrastructure projects even pending approval of the General Appropriations Act (GAA) to facilitate immediate implementation. Award of Contract shall be done upon approval of GAA.
- 3.5 Alternative methods of procurement may be undertaken if the original method of procurement recommended in the APP cannot be ultimately pursued. \These include limited source bidding, direct contracting, shopping repeat order, and small value procurement.
- 3.6 Bids and Awards Committee (BAC) shall be composed of the following: BAC Chairman; Vice Chairman; Secretariat Team; Technical Working Group (TWG) for Infrastructure Projects; Technical Working Group for Goods; Technical Working Group (TWG) for the purchase of computers, printers and other technological / software equipment and accessories; Technical Working Group (TWG) for Electrical Equipment and Supplies; and Canvassing officers.
